Amir S. Chinoy Group

The Amir S. Chinoy Group (ASC Group) has been at the forefront of Pakistan's industrial development since the founding of the country 76 years ago. Our founder, Mr. Amir S. Chinoy, a pioneer of industrialization in Pakistan, laid the foundation of the ASC Group by setting up manufacturing concerns in heavy chemicals (Pak Chemicals Ltd, 1951), steel, and galvanized pipes (International Industries Limited, 1948) and electrical wires and cables (Pakistan Cables Limited, 1953). His commercial interests also extended to trading, electrical contracting, and the representation of major European and international companies in South Asia. As flag bearers of determination and innovation, the group later invested in a green field project for the manufacture of Cold Rolled, Galvanized and Colour Coated steel coils and sheet (International Steels Limited, 2007).
